

87th Sella Descent

The 87th International Descent of the Sella (Descenso Internacional del Sella) took take place on Saturday, August 9, 2025,

The night before we all met for the parade along with others from the Irish clubs. The parade was headed by the Queen & King of Asturias. To be honest it felt like the three wise men had come early or perhaps later. Anyway, a local junior paddler from Asturias led us to our national flag. Following the Royal family was a traditional music group. They led us across the town square, on to the bridge and to our national flag. Each flag was raised by the youngest member from the visiting county. Then an early night for the paddlers but a party erupted for the visitors and locals.

The next day we paddled up the river to our starting position, through the crowds cheering at the riverbank and through the water people (basically any lunatic dressed in costume who wishes to be and obstacle for 1000+ boats when the race eventually starts.

Canoeists from all over the world were ready in Asturias for the countdown for the Sella River race. More than one thousand canoes battle it out to be first home over the 20-kilometre course on the Sella River, which runs from the village of Arriondas to the finish line in Ribadesella.

Next up the paddles were locked into position, the singing of the local national anthem and then a canon blasts. Then the mayhem. A stampede of canoes head towards the river and the excited shouts of the spectators drowns all other noises out.

As for the race It's a cross between the Hunger Games & Game of Thrones. You simply do not know who will take you out and where they will do it. Those friendly locals who smiled at you while you basked in the sun at the race start are not your friends. Friends don't exist at this race especially if you're from out of town, even worse if you're from another country. Getting the occasional smack of a paddle in the face is not unusual. And at every turn you come across you will find paddlers swimming after their boats, looking for a missing paddle or roaring back at someone. Worse still if your boat gets completely turned you might not have a boat to finish the race. The worst thing you can do is slow down as you will get turned from behind. You might wonder why no one took the line you went for, usually because something like low water or hidden rocks would greet you. It's like being on the Cu Chulainn for two hours.

The best placed club finisher was Aisa Cooper who came from the very back to finish 8th in his category.

Remarkable all 3 K2 pairings finished within one minute of each other despite starting at different locations at the start.

Surviving with all their teeth, fingers and some brain cells were those representing Celbridge paddlers.

Aisa Cooper, K1 Masters,

Morgan Cooper & Danny Cooper K2 Senior Men's,

Fergal Walsh & Sean Heneghan K2 Men's 38-50,

Callum Brown & Naoise Heneghan K2 18+ Men's.

Support Crew: Dave & Natasha Brown, Liz, Willow & Rowan (Boo) Cooper

Special Thanks to Digger & his crew for bringing our boats and dropping us to training locations.

Once at the finish line, the party transfers to the Campos de Ova, where trophies are awarded to the winners in each category and there is a huge picnic. There is food, cider, song, dance... When night comes the fun continues in Ribadesella until the early hours, with its terrace bars and open-air parties.

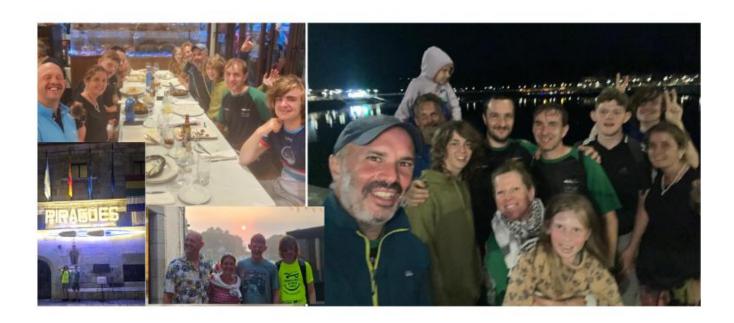

Fundraising.

Well done to all who took part in the May sponsorship paddle. I believe we raised 2,200 with more cards due in. Well done to Matty and Co. Please pass on all sponsorship cards to Maty Corr. More details to follow from the Fund-Raising.

Committee.

Tesco Community Support: Please see below, be sure to choose our club with your blue tokens. Thanks again to Carol for setting this up.

Lastly on the fundraising side of things, we will be hosting a 24-hour paddle on the $27^{\rm th}$ of September, with a club BBQ. All club members welcome to take part. More details to follow.

Future Events

The Lower Liffey Race is just one month away!
Time to start polishing your K-boats and dusting
off those Gola Sprints from the back of your shed!
We are going for a 12PM start at Salmon Leap
Canoe Club on Sunday 14th September. While we
can't guarantee a full flood, we can certainly
ensure the good times and of course some post
race Watkins burgers.

With categories for all, the Lower Liffey race is a great way to get a practice run on the lower half of the full Liffey Descent course.

If you don't fancy racing but want to get involved, we'll need plenty of volunteers for rescue, timing and stewarding. You can reach out to us via email at info@canoecentre.ie or by phone on 01 626 4363.

Entries go live this week over on Eventmaster. .
